## Anglo American Summer 2025 Internship Opportunity For College Students

### Description

Our internships at Anglo American plc are not just ordinary work experiences; they are transformative learning opportunities. As an intern, you will be immersed in a dynamic and innovative environment where you can apply your classroom knowledge to real-world challenges. Whether you're passionate about sustainability, technology, geology, engineering, or any other aspect of our industry, there's a place for you here.

### Responsibilities

As an Anglo American plc intern, you won't be fetching coffee or doing mundane tasks. We believe in providing meaningful responsibilities that empower you to make a difference. Your day-to-day tasks may include:

1. **Collaborative Projects:** Work closely with experienced professionals on projects that drive our company's mission forward.
2. **Research and Analysis:** Analyze data, conduct market research, and develop innovative solutions to complex problems.
3. **Field Experience:** Gain hands-on experience at our mining sites, exploring the heart of our operations.
4. **Presentations:** Present your findings and ideas to senior leaders, refining your communication skills.

### Qualifications

To be eligible for an Anglo American plc internship, you should meet the following criteria:

- Enrolled in an accredited college or university program.
- Strong academic record.
- Passion for the mining and natural resources industry.
- Excellent communication and teamwork skills.
- Adaptability and a willingness to learn.

### Experience

Our internships are open to students at various stages of their academic journey. Whether you're a freshman eager to explore your interests or a graduate student looking to specialize, we have opportunities tailored to your level of experience.

### Skills

While at Anglo American plc, you will develop a wide range of skills, including:

1. **Technical Expertise:** Acquire industry-specific knowledge and hands-on experience.
2. **Problem-Solving:** Tackle real-world challenges and develop innovative solutions.
3. **Communication:** Hone your presentation and interpersonal skills.
4. **Leadership:** Collaborate with diverse teams and take ownership of your projects.
