## Antofagasta plc Summer 2025 Internship Opportunity For Graduate

### Description

Antofagasta plc is a global mining company with a rich history and a commitment to sustainable practices. As an intern at Antofagasta plc, you'll get a front-row seat to the dynamic world of mining and resources. Our internships offer hands-on experience, allowing you to work on real projects alongside experienced professionals.

### Responsibilities

As an intern at Antofagasta plc, you won't be fetching coffee or filing paperwork. You'll be an integral part of our team, contributing to meaningful projects and initiatives. Your responsibilities may include data analysis, research, project management, or technical tasks, depending on your area of specialization.

### Qualifications

We're seeking passionate and ambitious individuals who are eager to learn and grow. While specific qualifications may vary by internship role, we generally look for:

- Enrolled in a relevant degree program (e.g., engineering, geology, finance, environmental science)
- Strong academic record
- Excellent communication skills
- Problem-solving ability
- Adaptability and a willingness to take initiative

### Experience

Antofagasta plc internships are designed to give you a taste of the real-world work environment. You'll gain valuable experience that can kickstart your career. Even if you're just starting, our internships provide an opportunity to work on meaningful projects that will bolster your resume.

### Skills

Throughout your internship, you'll have the chance to develop essential skills that will serve you well in any career path. These may include:

- Technical skills in your chosen field
- Collaboration and teamwork
- Time management and project management
- Critical thinking and problem-solving
- Communication and presentation skills
