Boise Airport Internship Employment In United States 2025

Description

Boise Airport is offering an exciting internship opportunity for individuals interested in gaining hands-on experience in the aviation industry. As an intern, you will have the chance to work with professionals in various airport departments, contributing to the efficient operation of Boise Airport.

Responsibilities

- Assist in daily operations within assigned airport departments, including but not limited to, administration, operations, customer service, and security.
- Collaborate with team members on projects, conducting research, and presenting findings.
- Provide support in the planning and execution of events, initiatives, and airport improvement projects.
- Participate in meetings and workshops to enhance knowledge of airport management and operations.
- Conduct data analysis and prepare reports to support decision-making processes.
- Collaborate with different airport stakeholders to ensure a seamless and positive passenger experience.
- Assist in maintaining compliance with federal regulations and industry standards.

Qualifications

- Currently enrolled in a relevant undergraduate or graduate program.
- Strong academic record with a focus on aviation management, business, engineering, or a related field.
- Excellent written and verbal communication skills.
- Proficient in Microsoft Office Suite.
- Ability to work independently and collaboratively within a team.
- Detail-oriented with strong organizational and multitasking abilities.
- Demonstrated interest in the aviation industry.

Experience

Previous internship or work experience in aviation, airport management, or related fields is a plus but not required.

Skills

- Analytical skills for data interpretation and problem-solving.
- Strong interpersonal skills and ability to work in a diverse team environment.
- Time management skills with the ability to meet deadlines.
- Adaptability and willingness to learn in a dynamic environment.

Knowledge of aviation regulations and industry trends is beneficial.
