Bonneville Power Administration Internship 2025

Description

Bonneville Power Administration (BPA) invites applications for its Internship Program, providing a unique opportunity for students to gain hands-on experience in the energy industry. As an intern at BPA, you will be part of a dynamic team working on projects that contribute to the reliability and sustainability of the region's power system.

Responsibilities

- Collaborate with BPA professionals on projects related to power generation, transmission, and distribution.
- Assist in data analysis, research, and report preparation.
- Participate in team meetings and contribute to discussions on energy policy and environmental stewardship.
- Support various departments, including Engineering, Environmental Affairs, and Project Management.
- Engage in field visits and job shadowing opportunities.

Qualifications

- Currently enrolled in an accredited college or university.
- Pursuing a degree in Engineering, Environmental Science, Business, or a related field.
- Strong academic performance.
- Excellent communication and teamwork skills.
- Ability to adapt to a fast-paced and collaborative work environment.

Experience

- Previous internship or relevant work experience is preferred but not required.

Skills

- Proficiency in Microsoft Office Suite.
- Analytical and problem-solving skills.
- Strong organizational and time management abilities.
- Eagerness to learn and apply knowledge to real-world projects.

Job Benefits

- Exposure to the inner workings of a federal power agency.
- Networking opportunities with industry professionals.
- Mentorship from experienced BPA staff.
- Competitive compensation.
