Chicago Public Schools Internship Program Opportunities 2025

Description

Chicago Public Schools (CPS) invites enthusiastic and dedicated individuals to join our Internship Program, providing a unique opportunity to contribute to the education sector. As an intern, you will work closely with professionals in various departments, gaining hands-on experience in the dynamic field of education.

Responsibilities

- Assist in the development and implementation of educational programs and initiatives.
- Support teachers and administrators in day-to-day activities, including classroom management and student engagement.
- Contribute to the planning and execution of school events, parent-teacher conferences, and community outreach programs.
- Assist in data collection and analysis to support decision-making processes.
- Collaborate with departmental teams on projects related to curriculum development, technology integration, and student support services.
- Participate in professional development opportunities to enhance your understanding of education policies and practices.
- Provide general administrative support to various school departments.

Qualifications

- Currently enrolled in an undergraduate or graduate program with a focus on education, social work, or a related field.
- Genuine interest in the field of education and a commitment to improving educational outcomes for all students.
- Excellent communication and interpersonal skills.
- Proficient in Microsoft Office Suite and basic computer skills.
- Ability to work independently and collaboratively within a school environment.
- Strong organizational and multitasking abilities.
- Passion for working with diverse student populations and communities.

Experience

Previous coursework or experience in education, social work, or a related field is preferred but not required.

Skills

- Strong interpersonal skills and the ability to build positive relationships with students, teachers, and parents.
- Adaptability and a willingness to learn in a fast-paced educational setting.
- Problem-solving skills and the ability to think critically about educational challenges.
- Time management skills with the ability to meet deadlines.
- Knowledge of education policies, trends, and best practices is beneficial.
