Con Edison Internship Graduate Program 2025

Description

Join Con Edison's Internship Graduate Program for an exciting opportunity to gain hands-on experience and contribute to the success of a leading energy company. As an intern, you will be part of a dynamic team, working on impactful projects that shape the future of the energy industry. This program is designed to provide recent graduates with a platform to learn, grow, and develop their skills in a supportive environment.

Responsibilities

- Collaborate with cross-functional teams to support and contribute to ongoing projects.
- Conduct research, analyze data, and present findings to contribute to decision-making processes.
- Assist in the development and implementation of innovative solutions to address challenges in the energy sector.
- Participate in meetings, workshops, and training sessions to enhance your knowledge and skills.
- Contribute to the achievement of departmental goals and objectives.

Qualifications

- Recent graduate with a Bachelor's or Master's degree in a relevant field (e.g., Engineering, Business, Environmental Science, etc.).
- Strong academic record and a passion for the energy industry.
- Excellent analytical, communication, and problem-solving skills.
- Ability to work both independently and collaboratively in a team-oriented environment.
- Demonstrated leadership skills and a proactive approach to learning.

Experience

- Prior internship or relevant work experience is a plus but not mandatory.

Skills

- Proficiency in Microsoft Office Suite.
- Strong organizational and time management skills.
- Ability to adapt to a fast-paced and dynamic work environment.
- Knowledge of the energy industry trends and technologies is desirable

Job Benefits

- Competitive stipend/salary.
- Networking opportunities with industry professionals.
- Professional development and training programs.
- Exposure to real-world projects and challenges.
- Potential for long-term employment opportunities.
