## Levi Strauss Co. Summer 2025 Internship Opportunity For College Students

### Description

Embark on a remarkable journey with Levi Strauss & Co., an iconic denim powerhouse deeply rooted in the heart of San Francisco, California. Embrace the opportunity to contribute to a brand that has shaped fashion history and transcended generations, while leaving an indelible mark on the world. Join us as we continue our pursuit of innovation, authenticity, and sustainability in the ever-evolving realm of denim.

### Responsibilities

**Pioneering Product Development:** Collaborate with our passionate teams to drive the development of cutting-edge denim products that resonate with the global fashion community.

**Sustainable Practices:** Contribute to our commitment to sustainability by implementing and promoting eco-friendly practices throughout the supply chain, ensuring our products are responsibly produced.

**Market Insights:** Utilize your analytical skills to gather and analyze market trends, consumer preferences, and competitive intelligence, providing valuable insights to shape our strategic decisions.

**Brand Advocacy:** Champion the Levi Strauss & Co. brand, embodying our core values and promoting our heritage through engaging storytelling and creative marketing initiatives.

**Cross-Functional Collaboration:** Foster effective communication and collaboration across departments, working closely with designers, merchandisers, production teams, and retail partners to drive cohesive brand strategies.

### Qualifications

**Denim Enthusiast:** Display a genuine passion for denim, its history, and its cultural significance, showcasing an understanding of the evolving fashion landscape.

**Innovator at Heart:** Possess a forward-thinking mindset, constantly seeking out new ideas, trends, and technologies that can shape the future of the denim industry.

**Cultural Savvy:** Demonstrate a deep appreciation for diverse cultures, embracing their influence on fashion, style, and design.

**Communication Prodigy:** Exhibit exceptional written and verbal communication skills, as you'll be collaborating with various stakeholders, partners, and consumers.

**Problem-Solving Guru:** Showcase a strong ability to identify challenges, think critically, and propose creative solutions to complex problems.

### Experience

While prior experience in the fashion industry is beneficial, we value passion, potential, and a willingness to learn. We believe in providing opportunities for growth and development, fostering an inclusive environment that nurtures talent at every level.

### Skills

**Trendspotting:** Ability to identify emerging fashion trends and translate them into compelling product concepts.

**Data Analysis:** Proficiency in analyzing market data, consumer insights, and
