MWAA Summer Internship Program 2025

Description

Metropolitan Washington Airports Authority (MWAA) is thrilled to announce its Summer Internship Program for 2024, offering students an exciting opportunity to gain hands-on experience in the aviation industry. As an intern, you will contribute to meaningful projects, work alongside aviation professionals, and immerse yourself in the dynamic environment of airport operations.

Responsibilities

- Assist in daily operations across various departments, including airport management, aviation security, customer service, and facilities.
- Contribute to projects related to airport expansion, facility upgrades, and sustainability initiatives.
- Support data analysis, reporting, and research activities within the aviation field.
- Collaborate with cross-functional teams to enhance airport safety and security measures.
- Assist in planning and executing airport events, promotions, and community outreach programs.
- Provide administrative support to different departments, including document preparation and data entry.
- Engage in training sessions and workshops to broaden your understanding of airport operations.

Qualifications

- Currently enrolled in an undergraduate or graduate program with a focus on aviation management, business, engineering, or a related field.
- Strong academic record and a genuine interest in the aviation industry.
- Excellent written and verbal communication skills.
- Proficient in Microsoft Office Suite and basic computer skills.
- Ability to work independently and collaboratively within a team.
- Detail-oriented with strong organizational and multitasking abilities.
- Demonstrated commitment to safety and security in an airport environment.

Experience

Previous coursework or experience in aviation, airport management, or related fields is preferred but not required.

Skills

- Analytical skills for data interpretation and problem-solving.
- Strong interpersonal skills and the ability to work with diverse teams.
- Adaptability and a willingness to learn in a dynamic airport environment.
- Time management skills with the ability to meet deadlines.
- Knowledge of airport operations, regulations, or aviation safety is advantageous.
