NHTSA Internship Graduates Students Opportunities 2025

Description

The National Highway Traffic Safety Administration (NHTSA) is thrilled to announce Internship Opportunities for recent graduates in 2024. This program provides a unique chance for graduates to contribute to the critical mission of promoting road safety and reducing transportation-related injuries and fatalities.

Responsibilities

- Conduct research and analysis on transportation safety issues.
- Assist in the development and implementation of safety programs and initiatives.
- Collaborate with NHTSA teams on data analysis, reporting, and policy initiatives.
- Support outreach and education efforts to promote safe driving practices.
- Contribute to the creation of reports, presentations, and other communication materials.
- Participate in meetings, workshops, and training sessions.

Qualifications

- Recent graduate from an accredited college or university.
- Degree in Public Policy, Transportation Safety, Engineering, or a related field.
- Strong academic record and a passion for transportation safety.
- Excellent written and verbal communication skills.
- Ability to work independently and collaboratively in a team.

Experience

- Previous coursework or experience in transportation safety or related areas is preferred.
- Familiarity with traffic safety regulations and initiatives is advantageous.

Skills

- Analytical thinking and problem-solving abilities.
- Proficiency in research methodologies and data analysis.
- Strong organizational and time management skills.
- Proficient in Microsoft Office Suite (Word, Excel, PowerPoint).

Job Benefits

- Exposure to real-world transportation safety challenges and initiatives.
- Networking opportunities with professionals in the field.
- Mentorship and guidance from experienced NHTSA staff.
- Potential for professional development and career advancement.
- Competitive stipend for the duration of the internship.
