- Gain exposure to the clearing and settlement processes within the financial industry.
- Participate in team meetings, workshops, and training sessions.
- Support day-to-day tasks related to risk management and regulatory compliance.
- Contribute to the development and improvement of internal processes.

### Qualifications

- Currently enrolled in a bachelor's or master's degree program in Finance, Business, Economics, or a related field.
- Strong academic record with a focus on finance, risk management, or a related discipline.
- Excellent analytical and problem-solving skills.
- Effective communication and interpersonal abilities.
- Detail-oriented and organized with the ability to manage multiple tasks.

### Experience

Previous coursework or projects related to finance, risk management, or the financial markets is preferred but not required.

### Skills

- Proficient in Microsoft Office Suite (Excel, PowerPoint, Word).
- Basic understanding of financial markets and risk management concepts.
- Strong quantitative and analytical skills.
- Ability to work independently and as part of a collaborative team.
- Eagerness to learn and adaptability to a fast-paced environment.

### Job Benefits

- Exposure to the financial industry and the operations of a clearing corporation.
- Networking opportunities with industry professionals.
- Mentorship and guidance from experienced professionals.
