Public Service Company of Oklahoma Internship Program 2025

Description

Join the Public Service Company of Oklahoma (PSO) Internship Program in 2024 and embark on a hands-on learning experience within the energy industry. This internship offers a dynamic opportunity for students to contribute to meaningful projects and gain exposure to various facets of the utility sector.

Responsibilities

- **Project Support:** Assist in the planning, execution, and monitoring of energy-related projects.
- **Data Analysis:** Analyze energy consumption data, trends, and contribute to efficiency improvement initiatives.
- **Collaboration:** Work closely with cross-functional teams in areas such as engineering, operations, and customer service.
- **Research and Development:** Contribute to research initiatives aimed at enhancing energy delivery and sustainability.

Qualifications

- Currently enrolled as a full-time undergraduate or graduate student in engineering, business, environmental science, or a related field.
- Strong academic performance with a minimum GPA of 3.0.

Experience

- Previous coursework or experience in energy-related fields, project management, or data analysis is advantageous.
- Familiarity with energy industry regulations, sustainability practices, or relevant software is a plus.

Skills

- **Analytical Skills:** Strong analytical and problem-solving abilities.
- **Communication:** Excellent verbal and written communication skills.
- **Teamwork:** Ability to collaborate effectively with diverse teams in a dynamic industry.
- **Adaptability:** Flexibility to handle various tasks and responsibilities within the energy sector.

Job Benefits

- **Industry Exposure:** Gain insights into the operations of a leading utility company.
- **Learning Opportunities:** Access to training sessions, workshops, and exposure to best practices in the energy sector.
- **Networking:** Connect with professionals in the energy industry and build valuable connections.
