Reckitt Benckiser Summer 2025 Internship Program For Recent Graduate

Description

At Reckitt, we believe in nurturing talent from the ground up. Our internships are designed to give you a taste of what it's like to work in a fast-paced, collaborative, and globally diverse environment. As an intern, you'll have the chance to contribute to real projects that make a difference in the lives of millions.

Responsibilities

As an intern at Reckitt, your responsibilities will be far from mundane. You'll be an integral part of our team, contributing to projects that directly impact our business. Some of the key responsibilities include:

1. **Project Support:** Assist in various projects within your chosen department, gaining hands-on experience and exposure to cutting-edge industry practices.
2. **Data Analysis:** Analyze data sets to derive actionable insights, helping us make informed decisions and drive growth.
3. **Collaboration:** Work closely with cross-functional teams to foster collaboration and gain exposure to different facets of our business.

Qualifications

To be eligible for a Reckitt internship, you should meet the following criteria:

- **Enrollment:** You must be currently enrolled in a bachelor's or master's degree program.
- **Field of Study:** Your field of study should be relevant to the department you wish to intern in, such as marketing, finance, research, or engineering.
- **Availability:** Be available for a minimum duration of 10-12 weeks, depending on the internship program.

Experience

While prior experience is not mandatory, it is definitely a plus. We value passion, curiosity, and a willingness to learn. If you have any relevant work or extracurricular experience, be sure to highlight it in your application.

Skills

Reckitt values a diverse set of skills that include:

- **Communication:** Strong written and verbal communication skills are essential for collaboration and conveying your ideas effectively.
- **Analytical Skills:** The ability to analyze data and draw meaningful insights is highly regarded.
- **Adaptability:** We work in a fast-paced environment, so adaptability and the ability to handle change are crucial.
