St Luke's Internship Undergraduate Students 2025

Description

Become part of the St. Luke's Internship Program and immerse yourself in a transformative experience within the healthcare sector. As an intern, you will have the unique opportunity to contribute to the mission of St. Luke's, enhance your skills, and gain valuable insights into various facets of healthcare administration and patient care.

Responsibilities

- Collaborate with healthcare professionals in administrative and clinical settings to support daily operations.
- Assist in data analysis, research, and project management to improve processes and patient outcomes.
- Engage with patients, providing support, information, and assistance as needed.
- Participate in team meetings, training sessions, and educational opportunities to broaden your understanding of the healthcare industry.
- Contribute to initiatives aimed at enhancing the overall patient experience.

Qualifications

- Currently enrolled in an undergraduate program with a focus on Healthcare Administration, Nursing, Public Health, or a related field.
- Genuine interest in the healthcare industry and a commitment to improving patient care.
- Strong interpersonal and communication skills.
- Ability to handle sensitive information with confidentiality and professionalism.
- Enthusiastic and proactive approach to learning.

Experience

- Previous coursework or volunteer experience in healthcare settings is advantageous but not mandatory.

Skills

- Proficiency in Microsoft Office Suite.
- Strong organizational and time management abilities.
- Attention to detail and ability to multitask in a fast-paced environment.
- Empathy and compassion in patient interactions.
- Team player with a collaborative mindset.

Job Benefits

- Meaningful hands-on experience in a renowned healthcare institution.
- Networking opportunities with healthcare professionals.
