TCEQ Internship Program Opportunities 2025

Description

The Texas Commission on Environmental Quality (TCEQ) is pleased to announce Internship Program Opportunities for 2024, providing students and recent graduates with a unique chance to contribute to environmental protection and regulatory initiatives. As an intern, you will play a crucial role in supporting TCEQ's mission to safeguard Texas' environment and public health.

Responsibilities

- Assist in environmental research, data analysis, and report generation.
- Support regulatory compliance activities related to air quality, water quality, and waste management.
- Contribute to the development and implementation of environmental policies.
- Collaborate with TCEQ staff on field inspections and environmental monitoring.
- Engage in community outreach initiatives to promote environmental awareness.

Qualifications

- Currently enrolled as a student or recent graduate with a degree in environmental science, engineering, public policy, or a related field.
- Strong academic record with a minimum GPA of 3.0.
- Excellent communication and interpersonal skills.
- Strong organizational and time-management skills.
- Ability to work independently and collaboratively in a team environment.

Experience

While prior internship experience is beneficial, we encourage applications from individuals with a passion for environmental protection and sustainability.

Skills

- Proficient in Microsoft Office Suite.
- Analytical and research skills.
- Knowledge of environmental regulations and policies.
- Adaptability and a proactive approach to learning.
- Strong interpersonal skills for effective collaboration.

Job Benefits

- Hands-on experience in environmental protection and regulatory affairs.
- Networking opportunities with professionals in the environmental industry.
- Exposure to various aspects of environmental science and policy.
- Mentorship and guidance from experienced environmental professionals.
- Competitive stipend for the duration of the internship.
