TECO Energy Internship Students Program 2025

Description

Explore the energy industry and shape your future with TECO Energy's Internship Students Program for 2024. This program offers students the opportunity to gain hands-on experience, contribute to impactful projects, and develop essential skills within the dynamic and evolving energy sector.

Responsibilities

- **Project Support:** Assist in the planning, coordination, and execution of energy-related projects.
- **Data Analysis:** Conduct research, collect and analyze data to support decision-making processes.
- **Collaboration:** Work with cross-functional teams to contribute insights and solutions to energy challenges.
- **Technical Support:** Assist in technical tasks, troubleshooting, and implementing innovative solutions.
- **Learning and Development:** Engage in training sessions and workshops to enhance industry knowledge and skills.

Qualifications

- Currently enrolled in an accredited undergraduate or graduate program.
- Pursuing a degree in Engineering, Environmental Sciences, Business, or a related field.
- Strong academic performance and a passion for the energy industry.
- Excellent communication and teamwork skills.

Experience

- Previous coursework or experience related to the energy sector is beneficial but not required.
- Familiarity with energy systems, sustainability, or environmental sciences is advantageous.

Skills

- Strong analytical and problem-solving skills.
- Proficiency in Microsoft Office applications.
- Excellent interpersonal and communication skills.
- Ability to adapt to a fast-paced and dynamic industry.
- Eagerness to learn and contribute to the team's success.

Job Benefits

- Competitive stipend and compensation package.
- Exposure to real-world projects and challenges in the energy industry.
- Networking opportunities with professionals in the field.
- Mentorship from experienced industry experts.
