Virginia Department of Health Internship Graduate 2025

Description

Join the Virginia Department of Health's Graduate Internship Program in 2024 and contribute to public health initiatives while gaining practical experience in a dynamic and impactful environment.

Responsibilities

- Collaborate with departmental teams on public health projects and programs.
- Assist in data analysis and research related to health trends and initiatives.
- Contribute to the development and implementation of public health campaigns.
- Engage in community outreach activities and events.
- Provide support in the planning and execution of health education programs.
- Participate in team meetings and discussions.
- Conduct literature reviews and prepare reports on relevant health topics.

Qualifications

- Enrolled in a graduate program in Public Health, Epidemiology, Health Administration, or a related field.
- Strong academic record with a minimum GPA of 3.5.
- Excellent communication and interpersonal skills.
- Detail-oriented with strong organizational abilities.
- Ability to work independently and collaboratively in a team.
- Knowledge of public health principles and practices.

Experience

- Previous coursework or internship experience in public health is preferred.
- Familiarity with health data analysis and research methodologies is advantageous.

Skills

- Analytical skills: Ability to analyze health data and draw meaningful conclusions.
- Communication skills: Clear and effective verbal and written communication.
- Teamwork: Collaborative mindset and ability to work well in diverse teams.
- Adaptability: Willingness to learn and adapt to evolving public health challenges.
- Community engagement: Ability to effectively engage with diverse communities.

Job Benefits

- Competitive internship stipend.
